COMMUNITY DAY

AWS COMMUNITY DAY NASHIK

AWS Community Days are community-organized cloud education events featuring technical discussions and demos led by AWS Users, Industry leaders, Heroes and Builders.

AWS Community Day Nashik 2022 is a full day in-person technical event covering some of the hottest topics in the cloud computing industry and deep dives on the latest AWS Products and services with use cases.

Experience one day of learning and networking with cloud technology experts, providers, consultants, and community leaders who can help you get the most out of your AWS services and get answers to your questions.

COMMUNITY DAY

SPONSORSHIP

- ✦ Evangelise your products and solutions among decision-makers.
- ✦ Reach out to an audience that constitutes early adopters, enterprise and startups to increase brand awareness.
- ✦ Create visibility for your organisation in the actively growing community, let them know why you are a good employer to work with. It will help widen the search for your potential employees and partners.
- ✦ We are inviting organisations to partner with us and make this event a grand success.
